

## New 4466 and 4488 Headsets

DPA is introducing two new headsets to its portfolio of high-performance solutions.

**4466** CORE Omnidirectional Headset Mic

**4488** CORE Directional Headset Mic

These new variants combine the renowned 5 mm capsules with CORE by DPA technology and the Red Dot award-winning Refine headset.

These are the most advanced headsets – secure, durable and flexible – for segments including: Theatre, Broadcast, House of Worship and Conferencing.

### Key features:

- ✓ One-size-fits-all – head sizes and shapes
- ✓ Comfortable 3-point grip – above, below, behind the ear
- ✓ Easily adjustable – frame size, boom length, placement
- ✓ 90° adjustable cable guide – keeps cable out of sight
- ✓ Non-reflective PVD surface on headset frame, boom, capsule
