

SPR60RF

19" cooling roof fan unit - for SPR600 series

Highlights:

- 2 fan unit (2 x 20 W)
- Low noise generation

A 19" cooling roof fan unit made out of black (RAL9004) powder coated aluminum which is used to improve the air circulation and help remove hot air from the rack. The fan runs at medium speed and needs to be fed with 240VAC at 50/60Hz. For use with SPR600 series only.
