

MBS310

Rack mounting set for half rackspace 1u enclosures

The MBS310 rack mounting set is designed to safely and effectively mount half rackspace devices into 19" or 10.5" racks. The following configurations are possible with this set:

One half rackspace device in to a 19" rack (1 HE)
Two half rackspace devices in to a 19" rack (1 HE)
One half rackspace device in to a 10.5" rack (1 HE)

The set contains:

1 x single mounting ear
2 x double mounting ears
2 x couplers
8 x screws M4 x 6mm
