

XENO8

Full range speaker 8"

Highlights:

- Zinc alloy mounting bracket included included
- 1" Dome tweeter
- 8"low frequency loudspeaker
- Vertical and horizontal mounting (rotatable logo)
- Terminal block connection

The XENO series is a loudspeaker range specifically designed for fixed audio installations in modern environments, offering two different sizes of contemporary and elegant designed products. What makes them so unique is their full range audio design, allowing them to be used without additional bass cabinet. The XENO8 is the 8" version, with a 1" dome tweeter and a 8" Mid / Low frequency driver, ensuring a true-to-nature, high-fidelity reproduction of music and speech. This wooden cabinet is fitted with a slim and elegant front grill. This makes the loudspeaker suitable for environments where the music is the key element, but without making any compromises on its design. This ranges from modern and trendy clubs to pubs and dance bars where that little extra punch and depth in the music is appreciated. The sleek and elegant design guarantees the loudspeaker to blend in with any environment. It delivers a powerful full range sound with an RMS rating of 120 Watt and a maximum of 240 Watt. The advanced integrated protection circuit avoids tweeter damaging when overload occurs. The included mounting bracket makes it possible to mount the loudspeaker in both horizontal and vertical position, making it suitable for every application. The connections can be made on the rear side of the loudspeaker with an Euro Terminal block connector. Ships with 2mm safety cable with a PVC jacket. All XENO series speakers are available in black (/B) or white (/W).

Impedance:

Applications:

- Residential
- Retail
- Clubs, bars, restaurants

System specifications:

Speaker type	2-way	
Max. Power	240 W	
RMS Power	120 W	
Impedance	8 Ω	
Sensitivity (1W/1m)	89 dB	
Sound Pressure (Max. W/1m)	110 dB	
Frequency	Response (± 3 dB)	60 Hz - 18 kHz
	Range (-10 dB)	50 Hz - 20 kHz
Crossover	Frequency	2.5 kHz
	Type	Passive built-in
Dispersion	Horizontal	120°
	Vertical	120°
Connectors	4-pin Euro Terminal Block (Pitch - 5.08 mm)	
Drivers	HF	1"
	MF	8"
	HF	8"

Product Features:

Dimensions	250 x 380 x 262 mm (W x H x D)
Weight	7.800 kg
Construction	Medium Density Fibreboard with structured coating
Front finish	Steel grill
Mounting & handling	2-way Revolving mounting bracket
Colours	Black (RAL9004) (XENO8/B) White (RAL9003) (XENO8/W)

Variants:

- XENO8/B - Black version
- XENO8/W - White version
